PLANNING OPPORTUNITY – Capital Gains Tax

For those clients who are contemplating selling their business - please be aware that the small-business capital gains tax concessions have changed significantly in recent times with eligibility becoming more accessible.

Further to that, no longer are the concessions just limited to "small businesses" in the certain circumstances and with good structuring.

If you are contemplating selling your business within the next few years we strongly recommend that you consult with us and take steps to hopefully position yourselves to qualify for the concessions.

Please contact Adam Dierselhuis on 3233 6402 if you would like discuss your situation.

What is "OBM"? Open Book Management

The logic of OBM is simple:

Businesses in which all team members think and act like owners will outperform businesses in which only a few people at the top see that as their job.
