TAX OFFICE DELAYS

Due to the Australian Tax Office (ATO) implementing new computer systems, there is expected to be some delays in the processing of December Activity Statements.

Some ATO computer systems will be unavailable from Friday 22 January to Wednesday 27 January 2010 and they expect delays to possibly continue into February 2010 as they bring the new systems up to full operating capacity.

The ATO has recommended that businesses and individual taxpayers expecting a refund on their December Activity Statements to lodge before 11 January 2010 to minimize the chance of delays.

Please contact our office with any queries.

What is "OBM"? Open Book Management

OBM encourages people not to work too hard and burn out, but to "work smart" and find the good ways to do things – balancing work and play time.
